## EXPERIENCE

### GitHub, Anywhere — Open Source Developer

September 15 2022 - PRESENT

I have been contributing to open source projects, mainly my own.

## EDUCATION

### Winterfold House School, Kidderminster

2012 - 2022

### Kings Worcester, Worcester

2022 - Present

Currently studying Computing, Physics, Biology, Chemistry, History, Geography, Spanish, English and Maths.

## PROJECTS

### mllib — *GitHub library*

I have received 38 stars for my c++ metaprogramming library,

Metaprogramming is an advanced topic of c++ which is my favorite part of C++.

[www.github.com/robertshepherd/mllib](https://www.github.com/robertshepherd/mllib)

### Flashcards App - *Github library*

This is a GUI application using ImGui and other new modern c++ techniques

[www.github.com/robertshepherd/imgui\\_examples](https://www.github.com/robertshepherd/imgui_examples)

## SKILLS

I have been programming ever since I was 12. I specialize in c++, I have done GUI's, c++ metaprogramming, etc. I have also watched many many c++ conference talks. I also have some experience in Python. I have been to several c++ conferences and watched the majority of the conference talks that have been put online.

## AWARDS

38 stars on one of my GitHub C++ metaprogramming libraries

## LANGUAGES

C++

English
